ABOUT ME

Organized and responsible student with experience in youth education, tutoring, and STEM instruction—strong communicator with experience mentoring students, coordinating activities, and working effectively in teams.

EXPERIENCE

Robotics Instructor — Paid Internship
Magikid | Jun 2026 - Aug 2026

- Taught 100+ students ages 5–12 through hands-on lessons in mechanical engineering, robotics, and 3D modeling.
- Led activities for students with different experience levels, adapting instruction to improve understanding and engagement.
- Helped students complete hands-on projects while maintaining an organized and positive learning environment.
- Communicated technical concepts in an accessible way to young students, strengthening teaching, leadership, and presentation skills.

Peer & Private Tutor(Paid)
Jan 2025 - Present

- Tutored students ages 8–15 in English and math.
- Led 2 to 3 tutoring sessions per week, requiring scheduling, preparation, and communication with students and families.
- Provided individualized homework help, test preparation, and problem-solving instruction based on each student's needs.
- Helped a student improve their geometry grade from 70% to 90% in three months.

Summer Camp Volunteer — Nature Science Camps
Los Angeles County
Arboretum & Botanic
Garden | Jun 2025 – Jul 2025

- Assisted instructors with nature-based activities including science, art, and outdoor exploration.
- Supervised and engaged children during daily camp activities.
- Encouraged teamwork, participation, and a positive camp environment.
